

Anthem Blue Cross Find a Provider Tool

Producers' Health Benefits Plan

Step 1:

Go to: www.Anthem.com/ca

Scroll over "Individual & Family."

Under "Care", Click on "Find a Doctor"

(<https://www.anthem.com/ca/health-insurance/provider-directory/searchcriteria>)

Step 2:

There are two ways to search for a doctor. Members can enter their login information to access their personalized online profile and search for doctors on the network in which they are currently enrolled. Or prospective members or members who want to search for doctors on a network in which they are not currently covered can search as a guest. Scroll to the bottom of the page to find:

Find a Doctor [Encontrar un doctor](#)

To find a doctor or hospital, first tell us about yourself and we'll help you find the right plan and network to search.

How do you get insurance?

Through my employer

What state do you want to search in?

California

What type of care are you searching for?

Enter or select type of care

Important to Remember for HMO:

- HMO care is managed by the medical group you choose.
- Make sure the doctor you choose has a contract with the medical group you select.
- If you are trying to coordinate to have the opportunity to utilize a specific hospital, make sure that both the doctor and medical group have contracts with that hospital. However, it is up to the medical group as to which hospitals they utilize regardless of contracts.
