

Is Medicare a good choice for you or your spouse?

3 reasons to consider an Anthem Medicare plan during Open Enrollment.

1. You could save money.

If you're eligible for Medicare, you could save money every month by choosing a Medicare Advantage or Medicare Supplement plan.* And save more later, because Anthem Medicare plans help pay for things that Original Medicare doesn't cover. Your eligible spouse could save money with an Anthem Medicare plan, too.

2. You have a wide choice of plans.

Do you want coverage when you travel? Do you want to choose your own doctors with no network restrictions — and see specialists without a referral? Whatever your health needs, lifestyle and budget, there may be an Anthem Medicare plan for you.

3. It's easy to find the right Medicare plan for you.

Anthem can help you understand Medicare and match the right plan to your needs. Call for answers and guidance from a licensed insurance agent.

TIP! Get a customized plan recommendation. Use our exclusive PlanMatch tool to find the right Medicare plan quickly, easily and confidently.
