CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR MENTALLY OR PHYSICALLY HANDICAPPED CHILDREN

Insurance for a Dependent Child may be continued past the age limit if that child is incapable of self-sustaining employment because of a mental or physical handicap as defined by applicable law. Proof of such handicap must be sent to Us within 31 days after the date the Dependent Child attains the age limit and at reasonable intervals after such date.

Except as stated in the Date Dependent Insurance Ends provision of the When Insurance Ends section of this Certificate, insurance will continue while such Dependent Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Dependent Child, except for the age limit.

AT YOUR OPTION: CONTINUATION WITH PREMIUM PAYMENT

Insurance provided under this Certificate may be continued with premium payment in certain situations, as described in this provision. This is referred to in this provision as "Continued Insurance". Evidence of insurability will not be required to obtain Continued Insurance. If You obtain Continued Insurance under this provision, You may also continue Dependent Insurance. For purposes of this provision, insurance in effect under the Group Policy for which the Group Policyholder remits premium is referred to in this provision as "Group Billed Insurance".

You may obtain Continued Insurance for You and for Your Dependents by making a request in Writing during the Request Period specified below if Your Group Billed Insurance ends except as described below.

Continued Insurance is not available if:

- Your Group Billed insurance ends due to Your failure to make a required Contribution; or
- Your insurance ends because the Group Policy ends and, within 30 days of the day that the Group Policy ends, You become eligible for insurance under another policy of group insurance providing similar benefits issued to or provided through the Group Policyholder.

Request Period

To obtain Continued Insurance, We must receive Your completed Written request on a form approved by Us within the Request Period which begins on the date Your Group Billed Insurance ends, and ends 31 days later. If You do not request Continued Insurance within the Request Period, You cannot obtain Continued Insurance.

Premiums for Continued Insurance

The premium that You must pay for Continued Insurance may include the amount, if any, that You contributed for Your Group Billed Insurance before it ended, plus any amount the employer paid. Premium rates for Continued Insurance will be the same as premium rates charged for Group Billed Insurance. Premiums rate increases or decreases that apply to Group Billed Insurance will apply to Continued Insurance as well. When You make a request to obtain Continued Insurance, You must pay the first premium during the Request Period. All premium payments must be made directly to Us. When We approve Your request for Continued Insurance, We will also provide a schedule of premiums and payment instructions.

End of Continued Insurance

Continued Insurance will end on the earliest of the following dates:

- the date You die;
- if You do not pay a premium that is required for Continued Insurance, the last day of the period for which a required premium payment was made;
- if the Group Policy ends, the date You become eligible for insurance under another policy providing similar coverage issued to or provided through the Group Policyholder;
- with respect to Dependent Insurance, the date Continued Insurance for You ends for any reason;
- with respect to Dependent Insurance, the date the Dependent no longer meets the definition of a Dependent; or
- with respect to Dependent Insurance, the date the Dependent is no longer eligible as described in the Eligibility for Dependent Insurance section of this Certificate.

If Your insurance ends, Your Dependent Insurance will also end in accordance with the Date Dependent Insurance Ends provision of the When Insurance Ends section of this Certificate.
