

Help your employees make the move to Medicare.

It's free and easy with Anthem's Move to Medicare program.

Medicare is complex, and it changes every year. We can help you provide the expert guidance your employees need.

We're here to help.

Our Move to Medicare program is a series of outreach materials and activities to teach employees about Medicare and their Anthem plan choices. Employees learn in a way that's comfortable for them, with no pressure or obligation. There's little or no effort on your part, and you decide when to hold onsite meetings and distribute flyers and other communications. And there's no cost to you.

Trusted support for you and your staff.

You can be sure employees get accurate and up-to-date information from certified Medicare specialists. Anthem is proud to be your health plan, and we're committed to serving you and our valued Anthem plan members.

Confidence for your employees.

Your employees have questions:

- How do I sign up for Medicare?
- What if I work past 65?
- What does Medicare cover?
- What are my Medicare plan choices?
- Which plan is right for me?
- How much will Medicare cost?

They'll get the answers they need to make informed decisions and an easy transition to Medicare.
