DECLARATION OF NON-COMMERCIAL PROJECT

As a Participating Employer of the Producers' Health Benefit Plan, I have agreed to make contributions on all covered work as evidenced by my signed Participation Agreement with the Plan. I further acknowledge that all "Commercial" work is covered work:

"Covered Productions" means the production and post production of commercials. As used in this Participation Agreement, a "commercial" means a moving picture work regardless of method, means or medium of production or post production (whether film/tape/digital/animation or other) that promotes or advertises a brand, product or service to the general public, regardless of the distribution format/medium/platform/channel ---but excluding music videos.

I acknowledge the above includes Branded Content, Promos, Social Media, and Internet Only projects that "promote or advertise a brand, product or service" to the general public.

I hereby declare, acknowledging the above, that the following project is NOT a commercial and therefore no contributions are due to the PHBP on this project only.
