NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by
Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o $500,000 in death benefits
  - o $200,000 in cash surrender or withdrawal values
- Health Insurance
  - o $500,000 in hospital, medical and surgical insurance benefits
  - o $500,000 in long-term care insurance benefits
  - o $500,000 in disability income insurance benefits
  - o $500,000 in other types of health insurance benefits
- Annuities
  - o $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 lA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

Rehabilitation Program means a program that has been approved by us for the purpose of helping You return to work. It may include, but is not limited to, Your participation in one or more of the following activities:

Disability or **Disabled** means that as a result of Sickness or injury You are either Totally Disabled or Partially Disabled.

Totally Disabled or **Total Disability** means You are unable to perform with reasonable continuity the Substantial and Material Acts necessary to pursue Your Usual Occupation and You are not working in Your Usual Occupation.

Partially Disabled or **Partial Disability** means while actually working in Your Usual Occupation, You are unable to earn 80% or more of Your Predisability Earnings.

If You are Partially Disabled and have received a Weekly Benefit for 52 weeks, We will adjust Your Predisability Earnings only for the purposes of determining whether You continue to be Partially Disabled and for calculating the Return to Work Incentive, if any. We will make the initial adjustment as follows:

We will add to Your Predisability Earnings an amount equal to the product of:

- Your Predisability Earnings times
- the annual rate of increase in the Consumer Price Index for the prior calendar year.

Annually thereafter, We will add an amount to Your adjusted Predisability Earnings calculated by the method set forth above but substituting Your adjusted Predisability Earnings from the prior year for Your Predisability Earnings. **This adjustment is not a cost of living benefit.**

For purposes of determining whether a Disability is the direct result of an injury, the Disability must have occurred within 90 days of the injury and not as the result of Sickness.

If Your occupation requires a license, the fact that You lose Your license for any reason will not, in itself, constitute Disability.

Substantial and Material Acts means the important tasks, functions and operations generally required by employers from those engaged in Your Usual Occupation that cannot be reasonably omitted or modified. In determining what substantial and material acts are necessary to pursue Your Usual Occupation, We will first look at the specific duties required by Your job. If You are unable to perform one or more of these duties with reasonable continuity, We will then determine whether those duties are customarily required of other employees engaged in Your Usual Occupation. If any specific, material duties required of You by Your job differ from the material duties customarily required of other employees engaged in Your Usual Occupation, then We will not consider those duties in determining what substantial and material acts are necessary to pursue Your Usual Occupation.

Usual Occupation means any employment, business, trade or profession and the Substantial and Material Acts of the occupation You were regularly performing for the employer when the Disability began. Usual Occupation is not necessarily limited to the specific job that You performed for the employer.

ENROLLMENT PROCESS

If You are eligible for insurance, You may enroll for such insurance by completing an enrollment form.

DATE YOUR INSURANCE ENDS

Your insurance will end on the earliest of:

1. the date the Group Policy ends; or
2. the date insurance ends for Your class; or
3. the end of the period for which the last premium has been paid for You; or

5. the date Your employment ends; or
6. the date You retire in accordance with the date Your employment ends; or
7. the date your Employer ceases to participate in the insurance plans offered through the Group Policy.

In certain cases insurance may be continued as stated in the section entitled CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT.

Reinstatement of Disability Income Insurance

If Your insurance ends, You may become insured again as follows:

1. If Your insurance ends because:

   - You cease to be in an eligible class; or
   - Your employment ends; and

   You become a member of an eligible class again within 3 months of the date Your insurance ended, You will not have to complete a new Waiting Period or provide evidence of Your insurability.

2. If Your insurance ends because you cease making the required premium while on an approved Family and Medical Leave Act (FMLA) or other legally mandated leave of absence, and you become a member of an eligible class within 31 days of the earlier of:

   - The end of the period of leave You and the Participating Employer agreed upon; or
   - The end of the eligible leave period required under the FMLA or other similar legally mandated leave of absence law,

3. In all other cases where Your insurance ends because the required premium for Your insurance has ceased to be paid, You will be required to provide evidence of Your insurability.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE

To prevent a loss of insurance because of a change in insurance carriers, the following rules will apply if this Disability Income Insurance:

- replaces a plan of group disability income insurance provided to You by the Employer; or
- replaces a Prior Plan of group disability income insurance provided to You by a former employer; when the replacement results from the Employer's acquisition of, merger with or other combination with that employer.

Prior Plan means the plan of group disability income insurance provided to You by the Employer through another carrier on the day before the Replacement Date.

Replacement Date means the effective date of the Disability Income Insurance under the Group Policy.

Rules for When Insurance Takes Effect if You were Insured Under the Prior Plan on the Day Before the Replacement Date:

- **If You are Actively at Work on the day before the Replacement Date**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date.
- **If You are <u>not</u> Actively at Work on such date because you are Disabled, and the Prior Plan that You were covered under on the day before the Replacement Date was an insured plan**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date. However, if the Prior Plan that You were covered under on the day before the Replacement Date was a self-funded plan, You will become insured for Disability Income Insurance under this certificate on the date You return to Active Work.

  We will credit any time You accumulated toward the Elimination Period under the Prior Plan to the satisfaction of the Elimination Period required to be met under this certificate.

  Any benefits paid for such Disability will be equal to those that would have been payable to You under the Prior Plan less any amount for which the prior carrier is liable.

  Benefit payments for such Disability will end on the earliest of:

  - the date that payments end under the subsection DATE BENEFIT PAYMENTS END in this certificate; or
  - the date that payments would have ended under the provisions of the Prior Plan of Insurance.

- **If You are <u>not</u> Actively at Work on such date for any other reason,** You will become insured for Disability Income Insurance under this certificate on the date you return to Active Work, provided however, if You are on a Employer approved leave of absence on the Replacement Date, You will become insured for Disability Income Insurance on the Replacement Date. However, Your insurance under this certificate will end on the date Your approved leave of absence ends if You do not return to Active Work on such date.

Rules for When Insurance Takes Effect if You were <u>Not</u> Insured Under the Prior Plan on the Day Before the Replacement Date:

- You will be eligible for Disability Income Insurance under this certificate when you meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOU; and
- We will credit any time You accumulated under the Prior Plan toward the eligibility waiting period under the Prior Plan to the satisfaction of the eligibility waiting period required to be met under this certificate.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE (continued)

Rules for Temporary Recovery from a Disability under the Prior Plan

We will waive the Elimination Period that would otherwise apply to a Disability under this certificate if You:

- received benefits for a disability that began under the Prior Plan ("Prior Plan's disability");
- returned to work as an active Full-Time employee prior to the Replacement Date;
- become Disabled, as defined in this certificate, after the Replacement Date and within 90 days of Your return to work due to a sickness or accidental injury that is the same as or related to the Prior Plan's disability;
- are no longer entitled to benefit payments for the Prior Plan's disability since You are no longer insured under such Plan; and
- would have been entitled to benefit payments with no further elimination period under the Prior Plan, had it remained in force.

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the Participating Employer for information regarding such legally mandated leave of absence laws.

AT THE PARTICIPATING EMPLOYER'S OPTION

The Participating Employer has elected to continue insurance by paying premiums for employees who are not Disabled and cease Active Work in an eligible class for any of the reasons specified below.

Disability Income Insurance will continue for the following periods:

1. for the period You cease Active Work in an eligible class due to injury or sickness, up to 3 months;
2. for the period You cease Active Work in an eligible class due to any other Participating Employer approved leave of absence up to 26 weeks.

   For purposes of this provision, leave of absence does not include a furlough. Furlough means an employer-mandated leave of absence.

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

EVIDENCE OF INSURABILITY

No evidence of insurability is required for the insurance described in this certificate.

If You become Disabled while insured, Proof of Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Weekly Benefit up to the Maximum Benefit Period shown in the SCHEDULE OF BENEFITS, subject to the Date Benefit Payments End section.

To verify that You continue to be Disabled without interruption after Our initial approval of the Disability claim, We may periodically request that You send Us Proof that You continue to be Disabled. Such Proof may include physical exams, exams by independent medical examiners, in-home interviews, or functional capacity exams, as needed.

While You are Disabled, the Weekly Benefits described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

BENEFIT PAYMENT

If We approve Your claim, benefits will begin to accrue on the day after the day You complete Your Elimination Period. We will pay the first Weekly Benefit one week after the date benefits begin to accrue. We will make subsequent payments weekly thereafter so long as You remain Disabled. Payment will be based on the number of days You are Disabled during each week. For any partial week of Disability, payment will be made at the daily rate of 1/7th of the Weekly Benefit payable.

We will pay Weekly Benefits to You. If You die, We will pay the amount of any due and unpaid benefits as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

RECOVERY FROM A DISABILITY

For purposes of this subsection, the term Active Work only includes those days You actually work.

The provisions of this subsection will not apply if Your insurance has ended and You are eligible for coverage under another group short term disability plan.

If You Return to Active Work Before Completing Your Elimination Period

If You return to Active Work before completing Your Elimination Period and then become Disabled, You will have to complete a new Elimination Period.

If You Return to Active Work After Completing Your Elimination Period

If You return to Active Work after You begin to receive Weekly Benefits, We will consider You to have recovered from Your Disability.

If You return to Active Work for a period of 60 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. For the purpose of determining Your benefits, We will consider such Disability to be a part of the original Disability and will use the same Predisability Earnings and apply the same terms, provisions and conditions that were used for the original Disability.

REHABILITATION INCENTIVES

Rehabilitation Program Incentive

If You participate in a Rehabilitation Program, We will increase Your Weekly Benefit by an amount equal to 10% of the Weekly Benefit. We will do so before We reduce Your Weekly Benefit by any Other Income.

Work Incentive

If You work while You are Disabled and receiving Weekly Benefits, Your Weekly Benefit will be adjusted as follows:

- Your Weekly Benefit will be increased by Your Rehabilitation Program Incentive, if any; and
- reduced by Other Income as defined in the DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT section.

Your Weekly Benefit as adjusted above will not be reduced by the amount You earn from working, except to the extent that such adjusted Weekly Benefit plus the amount You earn from working and the income You receive from Other Income exceeds 100% of Your Predisability Earnings as calculated in the definition of Disability.

In addition, the Minimum Weekly Benefit will not apply.

Family Care Incentive

If You work or participate in a Rehabilitation Program while You are Disabled, We will reimburse You for up to $100 for weekly expenses You incur for each family member to provide:

- care for Your or Your Spouse's child, legally adopted child, or child for whom You or Your Spouse are legal guardian and who is:
    - living with You as part of Your household;
    - dependent on You for support; and
    - under age 13.

The child care must be provided by a licensed child care provider who may not be a member of Your immediate family or living in Your residence.

- care to Your family member who is:
    - living with You as part of Your household;
    - chiefly dependent on You for support; and
    - incapable of independent living, regardless of age, due to mental or physical handicap as defined by applicable law.

Care to Your family member may not be provided by a member of Your immediate family.

We will make reimbursement payments to You on a weekly basis starting with the 4th Weekly Benefit payment. Payments will not be made beyond the Maximum Benefit Period. We will not reimburse You for any expenses for which You are eligible for payment from any other source. You must send Proof that You have incurred such expenses.

Moving Expense Incentive

If You participate in a Rehabilitation Program while You are Disabled, We may reimburse You for expenses You incur in order to move to a new residence recommended as part of such Rehabilitation Program. Such expenses must be approved by Us in advance.

You must send Proof that You have incurred such expenses for moving.

We will not reimburse You for such expenses if they were incurred for services provided by a member of Your immediate family or someone who is living in Your residence.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

We will reduce Your Disability benefit by the amount of all Other Income that was actually paid to You for the same disability for which You are claiming benefits under this certificate. Other Income includes the following:

1. any disability benefits for You under:

    - Federal Social Security Act;
    - Canadian Pension Plan;
    - Quebec Pension Plan;
    - Railroad Retirement Act; or
    - any similar plan or act;

2. temporary disability benefits under a workers' compensation law;

3. amounts under any other occupational disease law, Longshoremen's and Harbor Worker's Act, Maritime Doctrine of Maintenance, Wages and Cure or similar act;

4. any disability benefits under:

    - the Jones Act;
    - any government compulsory/statutory benefit law;
    - any government retirement system, including but not limited to the California State Teachers Retirement System (CalSTRS) and/or the California Public Employee Retirement System (CalPERS); and/or the Federal Employee Retirement System (FERS). You must apply for such benefits through the highest appeal level that is applicable to such benefits and available under the plan;
    - the Participating Employer's Retirement Plan;

5. any retirement benefits for You under:

    - Federal Social Security Act;
    - Canadian Pension Plan;
    - Quebec Pension Plan;
    - Railroad Retirement Act;
    - the Participating Employer's Retirement Plan; or
    - any similar plan or act;

6. third party liability payments by judgment, settlement or otherwise (minus attorneys' fees);

7. sick pay;

8. amounts from compromise or settlement of any claim for any of the Other Income sources shown in this provision (minus attorneys' fees);

9. any salary continuation, personal time off, and annual leave pay; and

10. return to work earnings as set forth in the Work Incentive and Limit on Work Incentive sub-provisions, in the REHABILITATION INCENTIVES provision.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT (continued)

REDUCING YOUR DISABILITY BENEFIT BY THE ESTIMATED AMOUNT OF YOUR GOVERNMENT COMPULSORY BENEFIT PLAN OR PROGRAM

If We have a reasonable, good faith belief that You are entitled to disability benefits under a government compulsory plan or program, We expect You to apply for such benefits.

1. **With respect to Government Compulsory Benefit Plans or Programs**, to apply means to pursue such benefits through the initial appeal level provided under such benefit plans or programs. You must send Us Proof that You have applied for benefits under such plans or programs, and are pursuing such benefits with reasonable diligence. You must also sign a release that authorizes such benefit plans or programs to provide information directly to Us concerning Your benefits eligibility under such plans or programs.

   If You do not satisfy the above requirements and if there is a reasonable means of estimating the amount of such benefits payable to You, We will reduce Your Disability benefit by the amount of such government compulsory benefit plan or program benefit that We estimate You are eligible to receive. We will start to do this with the first Disability benefit payment under this certificate coincident with the date You were eligible to receive such government compulsory benefit plan or program benefit.

   If Your application for such benefits is approved, We will reduce Your Disability benefit by the amount actually paid to You from the above sources.

2. With respect to a government compulsory benefit plan or program, or if You do receive approval or final denial of Your claim for such benefits, You must notify Us immediately. We will adjust the amount of Your Disability benefit. You must promptly repay Us for any overpayment.

SINGLE SUM PAYMENT

If You receive Other Income in the form of a single sum payment, You must, within 10 days after receipt of such payment, give Written Proof satisfactory to Us of:

- the amount of the single sum payment;
- the amount to be attributed to income replacement; and
- the time period for which the payment applies.

When We receive such Proof, We will adjust the amount of Your Disability benefit.

If We do not receive the Written Proof described above, and We know the amount of the single sum payment, We may reduce Your Disability benefit by an amount equal to such benefit until the single sum has been exhausted.

If We adjust the amount of Your Disability benefit due to a single sum payment, the amount of the adjustment will not result in a benefit amount less than the minimum amount, except in the case of an Overpayment.

If You receive Other Income in the form of a single sum payment and We do not receive the Written Proof described above within 10 days after You receive the single sum payment, We will adjust the amount of Your Disability Benefit by the amount of such payment.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL NOT REDUCE YOUR DISABILITY BENEFIT

We will not reduce Your Disability benefit to less than the Minimum Benefit shown in the SCHEDULE OF BENEFITS or by any Other Income that is not shown in Income Which Will Reduce Your Disability Benefit.

DISABILITY INCOME INSURANCE: DATE BENEFIT PAYMENTS END

Your Disability benefit payments will end on the earliest of:

- the end of the Maximum Benefit Period;
- the date You are no longer Disabled;
- the date You die;
- the date You cease or refuse to participate in a Rehabilitation Program that We require;
- the date You fail to have a medical exam requested by Us as described in the Physical Exams subsection of the GENERAL PROVISIONS section;
- the date You fail to provide required Proof of continuing Disability.

While You are Disabled, the benefits described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

DISABILITY INCOME INSURANCE

ADDITIONAL SHORT TERM BENEFIT: ORGAN DONOR

If You become Disabled as a result of an Organ Transplant Procedure while insured, Proof of the Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Organ Donor benefit shown below.

If We pay this benefit, You will not have to complete an Elimination Period.

BENEFIT AMOUNT

We will increase Your Weekly Benefit by an additional amount equal to 10% of Your Weekly Benefit. This increase will be applied to the first Weekly Benefit payment and continue while You remain Disabled, up to the Maximum Benefit Period.

DISABILITY INCOME INSURANCE: LIMITED DISABILITY BENEFITS

For Occupational Disabilities

We will not pay benefits for any Disability:

- which happens in the course of any work performed by You for wage or profit; or
- for which You are eligible to receive under workers' compensation or a similar law.

DISABILITY INCOME INSURANCE: EXCLUSIONS

We will not pay for any Disability caused or contributed to by:

1. war, whether declared or undeclared, or act of war, insurrection, rebellion or terrorist act;
2. Your active participation in a riot;
3. intentionally self-inflicted injury;
4. attempted suicide; or
5. commission of or attempt to commit a felony.

We will not pay Short Term Benefits for any Disability caused or contributed to by elective treatment or procedures, such as:

1. cosmetic surgery or treatment primarily to change appearance;
2. reversal of sterilization;
3. liposuction;
4. visual correction surgery; and
5. in vitro fertilization; embryo transfer procedure; or artificial insemination.

However, pregnancies and complications from any of these procedures will be treated as a Sickness.

FILING A CLAIM

The Policyholder should have a supply of claim forms. Obtain a claim form from the Policyholder and fill it out carefully. Return the completed claim form with the required Proof to the Policyholder. The Policyholder will certify Your insurance under the Group Policy and send the certified claim form and Proof to Us.

When We receive the claim form and Proof, We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy.

CLAIMS FOR DISABILITY INSURANCE BENEFITS

When a claimant files an initial claim for Disability Income Insurance benefits described in this certificate, both the notice of claim and the required Proof should be sent to Us within 90 days after the end of the Elimination Period.

Notice of claim and Proof may also be given to Us by following the steps set forth below:

Step 1
A claimant may give Us notice by calling Us at the toll free number shown in the Certificate Face Page within 20 days of the date of a loss.

Step 2
We will send a claim form to the claimant and explain how to complete it. The claimant should receive the claim form within 15 days of giving Us notice of claim.

Step 3
When the claimant receives the claim form, the claimant should fill it out as instructed and return it with the required Proof described in the claim form. If the claimant does not receive a claim form within 15 days after giving Us notice of claim, Proof may be sent using any form sufficient to provide Us with the required Proof.

Step 4
For Disability Income Insurance benefits, the claimant must give Us Proof not later than 90 days after the end of the Elimination Period.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible but, in no event, other than for lack of legal capacity, may Proof be given later than one year after the date it is otherwise required.

Items to be Submitted for a Disability Income Insurance Claim

When submitting Proof on an initial or continuing claim for Disability Income insurance, the following items may be required:

- documentation which must include, but is not limited to, the following information:
    - the date Your Disability started;
    - the cause of Your Disability;
    - the prognosis of Your Disability;
    - the continuity of Your Disability; and
    - Your application for:
        - Other Income;
        - Social Security disability benefits; and
        - Workers compensation benefits or benefits under a similar law.
- Written authorization for Us to obtain and release medical, employment and financial information and any other items We may reasonably require to document Your Disability or to determine Your receipt of or eligibility for Other Income;

- any and all medical information, including but not limited to:
    - x-ray films; and
    - photocopies of medical records, including:
        - histories,
        - physical, mental or diagnostic examinations; and
        - treatment notes; and
- the names and addresses of all:
    - physicians and medical practitioners who have provided You with diagnosis, treatment or consultation;
    - hospitals or other medical facilities which have provided You with diagnosis, treatment or consultation; and
    - pharmacies which have filled Your prescriptions within the past three years.

Regular Care of a Physician Requirement

In addition, You must be under the Regular Care of a Physician unless Regular Care:

1. will not improve the condition(s) causing Your Disability; or

2. will not prevent a worsening of the condition(s) causing Your Disability.

Regular care means:

1. You personally visit a Physician(s) as frequently as is medically required to effectively manage and treat the condition(s) causing Your Disability; and

2. You are receiving appropriate treatment and care which conforms with generally accepted medical standards for the condition(s) causing Your Disability.

Prior to the initial payment of benefits, provided You are receiving appropriate treatment and care which conforms with generally accepted medical standards for the condition(s) causing Your Disability, if the time period between Your visits to a Physician(s) is reasonable, You will be deemed to have satisfied the Regular Care of a Physician requirement, even if this results in a visit to a Physician(s) occurring after the end of the Elimination Period.

Time Limit on Legal Actions. A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 3 years after the date such Proof is required.

GENERAL PROVISIONS

Assignment

The rights and benefits under the Group Policy are not assignable prior to a claim for benefits, except as required by law. We are not responsible for the validity of an assignment.

Disability Income Benefit Payments: Who We Will Pay

We will make any benefit payments during Your lifetime to You or Your legal representative. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Upon Your death, We will pay any amount that is or becomes due to Your designated Beneficiary. If there is no Beneficiary designated or no surviving Beneficiary at Your death, We will pay any benefit that is or becomes due, according to the following order:

1. Your Spouse or Domestic Partner, if alive;
2. Your unmarried child(ren) under age 25; if there is no surviving Spouse or Domestic Partner; or
3. Your estate, if there is no such surviving child.

If more than one person is eligible to receive payment, We will divide the benefit amount in equal shares.

Payment to a minor or incompetent will be made to such person's guardian. The term "children" or "child" includes natural and adopted children.

Any periodic payments owed to Your estate may be paid in a single sum. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Entire Contract

Your insurance is provided under a contract of group insurance with the Policyholder. The entire contract with the Policyholder is made up of the following:

1. the Group Policy and its Exhibits, which include the certificate(s);
2. the Policyholder's application; and
3. any amendments and/or endorsements to the Group Policy.

Incontestability: Statements Made by You

Any statement made by You will be considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the following requirements are met:

1. the statement is in a Written application or enrollment form;
2. You have Signed the application or enrollment form; and
3. a copy of the application or enrollment form has been given to You or Your Beneficiary.

We will not use Your statements which relate to insurability to contest Disability Insurance after it has been in force for 2 years during Your life, unless the statement is fraudulent. In addition, We will not use such statements to contest an increase or benefit addition to such insurance after the increase or benefit has been in force for 2 years during Your life, unless the statement is fraudulent.

Misstatement of Age

If Your age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, We will adjust the benefits and/or premiums.

Conformity with Law

If the terms and provisions of this certificate do not conform to any applicable law, this certificate shall be interpreted to so conform.

Physical Exams

If a claim is submitted for insurance benefits, We have the right to ask the insured to be examined by a Physician(s) of Our choice as often as is reasonably necessary to process the claim. We will pay the cost of such exam.

Overpayments for Disability Income Insurance

Recovery of Overpayments

We have the right to recover any amount that We determine to be an overpayment.

An overpayment occurs if We determine that:

- the total amount paid by Us on Your claim is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us. Our rights and Your obligations in this regard are described in the reimbursement agreement that You are required to sign when You submit a claim for benefits under this certificate. This agreement:

- confirms that You will reimburse Us for all overpayments; and
- authorizes Us to obtain any information relating to sources of Other Income.

How We Recover Overpayments

We may recover the overpayment from You by:

- stopping or reducing any future Disability benefits, including the Minimum Benefit, payable to You or any other payee under the Disability sections of this certificate;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

THE PRECEDING PAGE IS THE END OF THE CERTIFICATE.
THE FOLLOWING IS ADDITIONAL INFORMATION.

SPECIAL SERVICES

Return To Work Program

Goal of Rehabilitation
The goal of MetLife is to focus on employees' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what employees can do versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work
Your Disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable, but you do not participate in the Return to Work Program, your Disability benefits may cease.

Return-to-Work Services
As a covered employee you are automatically eligible to participate in our Return-to-Work Program. The program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities.
There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. **Vocational Analyses**

   Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your employer.

2. **Labor Market Surveys**

   Studies to find jobs available in your National Economy that would utilize your abilities and skills. Also identify your earning potential for a specific occupation.

3. **Retraining Programs**

   Programs to facilitate return to your previous job, or to train you for a new job.

4. **Job Modifications/Accommodations**

   Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

   This also includes changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your employer under the Americans With Disabilities Act (ADA).

5. **Job Seeking Skills and Job Placement Assistance**

   Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Return-to-Work Program Staff
The Case Manager handling your claim will coordinate return-to-work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

SPECIAL SERVICES

Rehabilitation Vendor Specialists
In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. attending physician's evaluation and recommendations;
2. your individual vocational needs; and
3. vendor's credentials, specialty, reputation and experience.

When working with vendors, we continue to collaborate with you and your doctor to develop an appropriate return-to-work plan.

If there is any question about a claim payment, an explanation may be requested from the Employer who is usually able to provide the necessary information.

Claim Submission

For claims for disability benefits, the claimant must report the claim to MetLife and, if requested, complete the appropriate claim form. The claimant must also submit the required proof as described in the "Filing A Claim" section of the certificate.

Claim forms requested by MetLife must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for disability benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a reasonable period, not to exceed 45 days from the date you submitted your claim; except for situations requiring an extension of time because of matters beyond the control of the Plan, in which case MetLife may have up to two (2) additional extensions of 30 days each to provide you such notification. If MetLife needs an extension, it will notify you prior to the expiration of the initial 45 day period (or prior to the expiration of the first 30 day extension period if a second 30 day extension period is needed), state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the extension notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed.

Appealing the Initial Determination

If MetLife denies your claim, you may appeal the decision. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- An explanation why you are appealing the initial determination

As part of your appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination, MetLife will conduct a full and fair review of your claim. Deference will not be given to the initial denial, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within a reasonable period of time, but no later than 45 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 45 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 45 day period, state the reason(s) why such an extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information, the time period from MetLife's notice to you of the need for an extension to when MetLife receives the requested information does not count toward the time MetLife is allowed to notify you of its final decision. You will have 45 days to provide the requested information from the date you receive the notice from MetLife.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

Discretionary Authority of Plan Administrator and Other Plan Fiduciaries

In carrying out their respective responsibilities under the Plan, the Plan Administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

STATEMENT OF ERISA RIGHTS

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all Plan documents, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

FUTURE OF THE PLAN

It is hoped that This Plan will be continued indefinitely, but Producers' Health Benefits Plan reserves the right to change or terminate the Plan in the future. Any such action would be taken only after careful consideration.

The Board of Directors of Producers' Health Benefits Plan shall be empowered to amend or terminate the Plan or any benefit under the Plan at any time.
